

NEOVIVA is an English-speaking private recovery clinic on the shores of Lake Lucerne, specialising in addiction and affective disorders such as depression and anxiety.

We provide abstinence-based treatment and exceptional care to an international clientele, supporting long-term recovery through compassionate, individualised support.

## To complete our team we are looking for a Psychotherapist 80 – 100 %

This role suits clinicians who value depth-oriented work, close interdisciplinary collaboration, and active involvement in the development of a treatment programme. We are seeking a Psychotherapist to join us immediately or by mutual agreement.

### Skills and qualifications

- Master's degree in psychology, advanced or completed psychotherapy training FSP or SBAP
- Solid understanding of addiction and affective disorders needs and approaches
- Excellent team player – enjoy interprofessional and interdisciplinary teamwork
- Appreciative attitude, empathy, and high social competence
- Flexible, open to new approaches, other cultures and change
- Excellent knowledge of English; other languages are an advantage
- Applicants with a foreign qualification must hold the title of Psychotherapist as recognized by the PsyKo (Bundesamt für Gesundheit, BAG)

### Key responsibilities

- Conducting clinical assessments and formulating treatment plans and case formulations
- Providing psychotherapeutic treatment to clients in both individual and group settings
- Conducting workshops and coaching sessions for individuals and teams
- Ensure continuity of care through documentation, reporting and interprofessional coordination
- Utilizing rTMS (Repetitive Transcranial Magnetic Stimulation) as part of the treatment process (training provided if needed)
- Monitor and evaluate client progress according to the treatment plan
- Work closely with recovery counsellors, other therapists, medical team, and external service providers
- Maintain accurate EMR documentation in line with policies and procedures
- Actively contributing to the formulation, implementation, and ongoing development of NEOVIVA's therapeutic programme, with space for clinical reflection, initiative, and evidence-informed innovation.

### Our offer

At NEOVIVA, you will be part of a small and dedicated team united by a shared commitment to meaningful, high-quality care. We offer an environment where professionalism, humanity and collaboration go hand in hand, and where your contribution can make a real difference. Alongside attractive employment conditions, you will have the opportunity to grow with an ambitious and evolving programme that values both clinical excellence and genuine human connection.

Please send your electronic CV with a photo, a letter of motivation, and relevant certifications, diplomas, or degrees to our Clinical Lead: [mayte.parada@neoviva.com](mailto:mayte.parada@neoviva.com). For more information, call +41 58 100 08 00.
